Dear Chuck:

As I indicated to your office early yesterday, Mr. Moore's case has been rescheduled for trial on Monday, November 7, 1994 at 9:00 A.M. The court has appointed Dr. Chiappone to assist us and I ask you to gather the mitigation information and evidence you have obtained and bring it to my office within the next few days.

After I review this information, I'll give you a call to discuss the status of this material. Again, I ask you to try to get this information to me within the next several days so that we can get Dr. Chiappone started. If you have any questions, give me a call.

Sincerely yours,

Dear MAMA:

I Really don't know what to say -
So im just going to get to the
point. I know I have been a
big disappointment to you & Daddy but
I WANT you to know that the way
I turned out is NOT your fault
at all, you were the best mother
a son could have I just couldn't
realize you were trying to make
a good person out of me. I really
think my downfall was acceptance
from other kids & also drinking &
drugs, im not blaming anyone for
my mistakes because I should have
been a stronger person, because I knew
that drinking & smoking was wrong but
all I was concerned with was being
Accepted by kids at my school.

MAMA, Kids actually made my young
life miserable I got beat up, I got
chased home from school all the time &
this made me have a very low self
esteem, in Jr. high school I was
actually scared to ride my school
bus home because people would take
my hats and pick fights with me. I
didn't have any friends at all when

008959

I was in jr. high school EXCEPT for younger kids like Micheal Across The Street and Kareem Around The Corner.

That is why I stayed in trouble in school, being The Class Clown To Make People laugh so I could be Accepted like other kids, but Really all I was Doing was Playing Myself!

By The Time I got in high school things were getting a little better, I could fight now because of getting my ass kicked so much when I was younger Excuse My French (☺)

Anyway I started maturing in the body but NOT in the mind & people were accepting me especially girls & I just lost my mind cause I never experienced popularity before.

Time goes on & me & my clique are like the coolest and this makes me feel very good cause we got the girls the money & the "clout"

but one day I'm hangin with "The boys" and some guys come over with some beer & say lets get drunk and 008960

Everybody says kool I Really didnt want to but I was weak & I didnt want to lose my acceptance with the clique so I drunk with them. This went on

for a while And Eventually it was a Normal Thing To drink A 40oz with The boys it became a habit & I Started Really Messing up in School but I didnt Care Cause I had "Clout" & girls And I wasnt Thinking About The future, I didnt have a Care in The world.

Then I Started getting in Trouble with The law. I would hide My Drinkis from you but occasionally I would Come home very drunk & Sick you Know what im Talking About & Eventually you just got fed up because I was NOT doing Nothing in School I was getting in Trouble with The law & I would Come home Drunk. So you Through Me out and I Can understand That.

but Mama, That's The worst Thing you Could have done, I Started living with daddy And IT was like I was ON My own, he gave Me freedom To do what I wanted To do, I had Never had That And I wasnt Even Ready for it, but I liked it I felt like I was a grown MAN but in Reality I was a young boy with all This Freedom I didnt Need And

Could not control it, I spent all of my time drinking & smokin weed with the boys & no time for God & school. When I enrolled into Woodward it was like withdrawing from school completely, it was so easy to skip school & not even to go I just didnt attend, I had all this freedom I just wanted to have fun I wasnt thinking about school.

I started getting in trouble with the truant officer & they were threatening to kick me out. I did better for a minute then started slipping again & eventually dropped out, I spent all my time drinking, screwing, smokin weed & hangin with the boyz "N" the hood. I hardly ever spent any time at dads house cause I was always in the streets. I did try to enroll into the Job Corps Trade School but they wouldnt except me because of that drug charge I picked up when I was younger, then I started feeling useless & depressed.

I knew how you must have been ⁰⁰⁸⁹⁶² feeling & I felt so ashamed of myself I didnt want to be around you.

I felt like There was Nothing I Could Do I had no Skills & I Couldn't Even learn one, I felt Trapped and I didn't want To work at McDonalds because I was 19 yrs old and I guess I had Too Much pride, but look were it got Me. ITS A Shame That all of This had To happen for Me To Come To My Senses & Realize I had a problem, I wish I Could have been a better son and I Am so Sorry for disappointing Everybody but Now I Know That when All of This is over I will be A better person because I have Turned My life over To God & I have faith in him.

I understand Everything That you Ever Tried To Teach Me AND Now I understand That you were Trying To Make Me have a good life, I just wish I Could have Seen it when I was younger. I AM so Sorry Any of This happened, if I Could Start from The beginning I would live my life A Totally Different way.

And as far as Shatunda is Concerned I Dont Need her or ⁰⁰⁸⁹⁶³ her MAMA'S Support because I have My MAMA AND My Family's Support
